

SIMON OMOSUYI-IJETE

WEB & GRAPHIC DESIGNER

Lagos, Nigeria | +234 706 883 8740 | omosuyisimon1986@gmail.com

PROFESSIONAL PROFILE

Creative, self-motivated, and detail-oriented Web & Graphic Designer with a track record of shaping clear, visually engaging digital and print communication for businesses, teams, and individuals. Skilled at translating client and user needs into practical design solutions, coordinating with stakeholders, and delivering polished work under pressure and against deadlines.

Combines a genuine interest in visual storytelling and digital experience design with strong communication, coordination, and problem-solving skills built across design, client-facing, and instructional roles. A proactive learner who enjoys exploring new tools and design techniques to keep work fresh, functional, and on-brand.

PROFESSIONAL EXPERIENCE

Web & Graphic Designer

2021 – Present

Dino Group — Lagos, Nigeria

- Coordinate design-team members and workflows to deliver consistent, on-brief visual output.
- Monitor day-to-day design output and prepare regular progress reports for management.
- Motivate team members and encourage productivity across design projects and deadlines.
- Recommend improvements to design and operational processes based on observed workflow gaps.
- Flag design and production issues early, escalating to management where needed.
- Maintain attention to detail and design quality while working under pressure and tight deadlines.
- Communicate design decisions and progress clearly with team members and management.

Web & Graphic Designer

2020 – 2022

Zoltan Crest Group — Lagos, Nigeria

- Communicated with clients by phone and message to understand design briefs and requirements.
- Maintained accurate, organised records of client requests and ongoing design cases.
- Managed multiple concurrent design requests while keeping documentation and timelines organised.
- Used clear communication and persuasion to resolve client concerns about design deliverables.
- Followed up consistently on assigned projects through to completion.

Web & Graphic Design Instructor

2015 – 2019

Moonlight College — Olodi Apapa, Lagos

- Prepared weekly lesson materials and visual presentations on web and graphic design topics.
- Delivered design lessons to students Monday to Friday, building foundational digital design skills.
- Coordinated school assemblies and design-related activities and events.
- Served as a member of the examination committee, helping set and review assessments.
- Communicated technical design concepts in a clear, accessible way for varied skill levels.

- Managed teaching responsibilities within established schedules and deadlines.

Instructor

2014 – 2015

Oginibo Secondary School — Ughelli South, Delta State

- Taught Marketing and Christian Religious Knowledge, building a foundation in visual and persuasive communication later applied to design work.
- Prepared educational materials and organised classroom activities, an early grounding in structuring content for an audience.
- Communicated ideas clearly to different audiences — a skill now applied to presenting design concepts to clients.
- Supported students through structured learning activities and consistent follow-up.

EDUCATION

B.Sc. Business Administration — Second Class Honours, Upper Division

Ajayi Crowther University, Oyo, Nigeria
